## Detalhamento técnico

**Estrutura:** madeira eucalipto proveniente de reflorestamento.

**Assento:** fixa, percinta italiana esticada com máquina (tensão uniforme), almofada em espuma BIO 30 certificada e calandrada e manta de espuma soft macia.

**Almofadas de encosto:** soltas, fibra siliconada acondicionada em saco de TNT bipartido.

**Pés:** poltronas e namoradeiras com opção de pé fixo ou base giratória.

**Tecido:** cortado com sistema americano CNC (alto padrão de qualidade e perfeição).

**Montagem:** parafusos porca garra (facilita a desmontagem e não agride a madeira).
